

Umberto Peserico

CHIEF TECHNOLOGY OFFICER · FULL-STACK ENGINEER

Vicenza, Veneto – Italy · umberto.peserico@pandev.it · linkedin.com/in/umberto-peserico

I write code for passion, and the next project could be yours. For over a decade I have been building full-stack web products: today I lead technology at Pandev and BeourBest: architecture, stack decisions, team growth and AI-assisted development as daily practice.

EXPERIENCE

BeourBest

2026 – present ♦ **Chief Technology Officer**
Technical lead of the product: platform architecture, stack decisions and delivery process.

Pandev S.r.l. 8 YEARS

Mar 2022 – present ♦ **Chief Technology Officer · Vicenza**
Technical direction: application architecture, engineering standards and stack decisions across client projects. I brought the AI-assisted workflow into the team: agents, custom skills and a shared knowledge base of rules.
